

**IN THE UNITED STATES DISTRICT COURT FOR  
THE DISTRICT OF NEW HAMPSHIRE**

THE UNITED STATES OF AMERICA

v.

No. 1:21-cr-41-JL-01

ARIA DIMEZZO

**ASSENTED-TO MOTION TO CONTINUE  
SENTENCING HEARING**

The defense respectfully requests that the Court continue the sentencing hearing scheduled for December 20, 2022, for at least 30 days.

The defense seeks a continuance of the December 20<sup>th</sup> sentencing hearing to allow adequate time for the defense to prepare for sentencing. Issues relating to Ms. DiMezzo's status as a transgender woman and trauma she has experienced, especially during childhood, have led the defense to seek the assistance of an expert. To ensure enough time for the defense to make use of the expert and prepare for sentencing, the defense seeks to continue the sentencing hearing for at least 30 days. The Government, through Assistant United States Attorney Georgiana MacDonald, assents to this motion.

WHEREFORE the defense requests that the Court continue the sentencing hearing scheduled for December 20, 2022, for at least 30 days.

Date: October 27, 2022.

Respectfully submitted by counsel  
for Aria DiMezzo
